TERROR-FI: Boy Kills World **TBC** Runtime 1h 55m

Be the first in New Zealand to see wild new action flick BOY KILLS WORLD ... starring Bill Skarsgård ('Barbarian', 'IT') ... two weeks before it hits our cinemas!

Reviewed as a "gleeful orgy of violence and blood-letting" ... how could we not play it!?!?

Robot Dreams **G** Runtime 1h 43m

Dog lives in a details-perfect illustrated version of early 80s New York City, the twin towers still framing the skyline—here is the home of anthropomorphised, bipedal animal residents of all kinds, going about their bustling Big Apple lives. Alone in his apartment, full of big-city meanderings and micro-waved macaroni, Dog sees an ad for an android companion.

Challengers **M** Runtime 2h 10m

Tashi, a tennis player-turned-coach, has taken her husband, Art, and transformed him from a mediocre player into a world-famous Grand Slam champion. To jolt him out of his recent losing streak, she makes him play a "Challenger" event.

Civil War **R16** Runtime 1h 49m

As tensions escalate between the states and the government, a group of journalists travel across a war-torn America to document the peak of the conflict in Washington, DC. The result is a harrowing experience that combines powerful cinematic action sequences with glimpses of humanity and companionship in times of crisis.

Love Lies Bleeding **R16** Runtime 1h 44m

From Director Rose Glass comes an electric new love story; reclusive gym manager Lou falls hard for Jackie, an ambitious bodybuilder headed through town to Vegas in pursuit of her dream. But their love ignites violence, pulling them deep into the web of Lou's criminal family.

Wicked Little Letters **M** Runtime 1h 42m

When people in Littlehampton start receiving scandalous and obscene letters, suspicion immediately falls on fiery Rose, who might lose the custody of her daughter. A group of women set out to solve the mystery.

Monkey Man **R16** Runtime 2h 00m

Inspired by the legend of Hanuman, an icon embodying strength and courage, Monkey Man stars Dev Patel as Kid, an anonymous young man who ekes out a meager living in an underground fight club where, night after night, wearing a gorilla mask, he is beaten bloody by more popular fighters for cash.

The Mountain **PG** Runtime 1h 29m

Sam, a fearless young girl raised outside of her Māori culture, is determined to fulfil her mission of connecting with her mountain in the hope they can heal her from the cancer she battles. Along the way she meets some misfits and new kids in town – Mallory, hoping to find friends, any kind of friends – and Bronco who claims to be a runaway from his dad who is too busy to notice him.

The Zone Of Interest **M** Runtime 1h 45m

The commandant of Auschwitz, Rudolf Höss, and his wife Hedwig, strive to build a dream life for their family in a house and garden next to the camp. "Glazer's film is richly daring. It is both meticulous and brutal; aloof and involved; ferocious and cool. It is poetry and cinema, but it is also guilty and it knows that it is." – Cinevue

The Great Escaper **M** Runtime 1h 36m

In the summer of 2014, Bernard Jordan (Michael Caine) made global headlines. He had staged a "great escape" from his care home to join fellow war veterans on a beach in Normandy, commemorating their fallen comrades at the D-Day Landings 70th anniversary.

Dune: Part Two **M** Violence Runtime 2h 47m

Duke Paul Atreides joins the Fremen and begins a spiritual and martial journey to become Muad'dib, while trying to prevent the horrible but inevitable future he's witnessed: a Holy War in his name, spreading throughout the known universe.
